

**WHEN:** Sunday, Jan. 31

**WHAT:** We join faith congregations across South Carolina to honor the Emanuel AME 9, address gun violence and take steps to reduce gun deaths without threatening the 2nd Amendment right to lawfully own guns.

**WHY:** 32,000 Americans a year are being killed by guns. Our faith communities need to be heard in this public health and moral crisis.

**HOW:** Go to [standupsundaySC.org](http://standupsundaySC.org), watch the video, sign letters to legislators — and sign up to get the call this spring when we ask SC faith communities to gather at the State House to make a difference.
