Updating Local Church Information (Church Profile)

Accessing Charge Conference Reports

Every church is expected to have an updated profile on record. The profile is completed online and should be done annually. It is recommended that this profile be updated as part of completing Charge Conference reports each year.

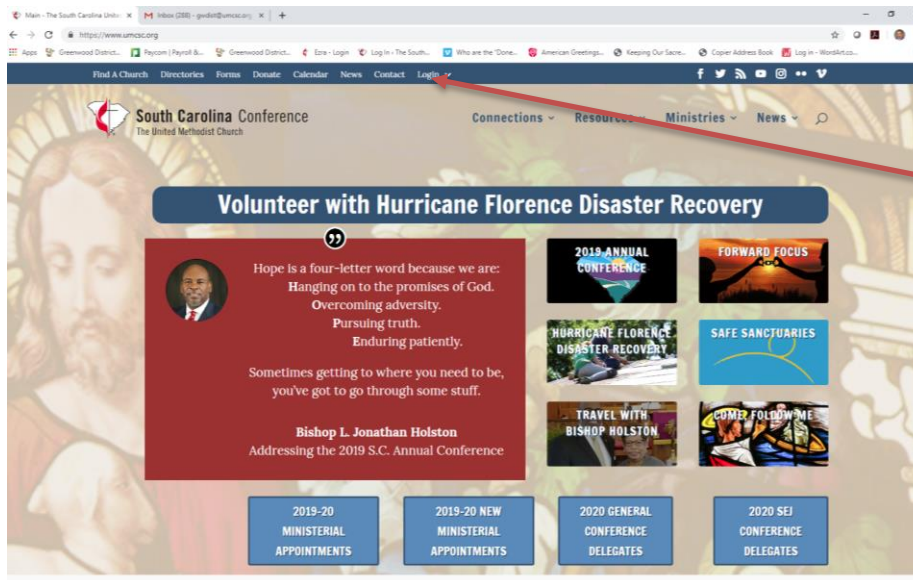

No printed/hard copies need be submitted to the district office.

Follow the directions printed below for accessing and creating/updating a church's profile.

The deadline for updating church profiles is the date of the annual church charge conference.

Reminders will be made via email, in the newsletters, and online (district web page, district calendar, Facebook, Twitter, LinkedIn, and email). No notices will be sent via USPS.

1. Point your browser to the conference web page. <http://www.umcsc.org>
2. On the menu bar, rest your pointer on the link for **Login**.

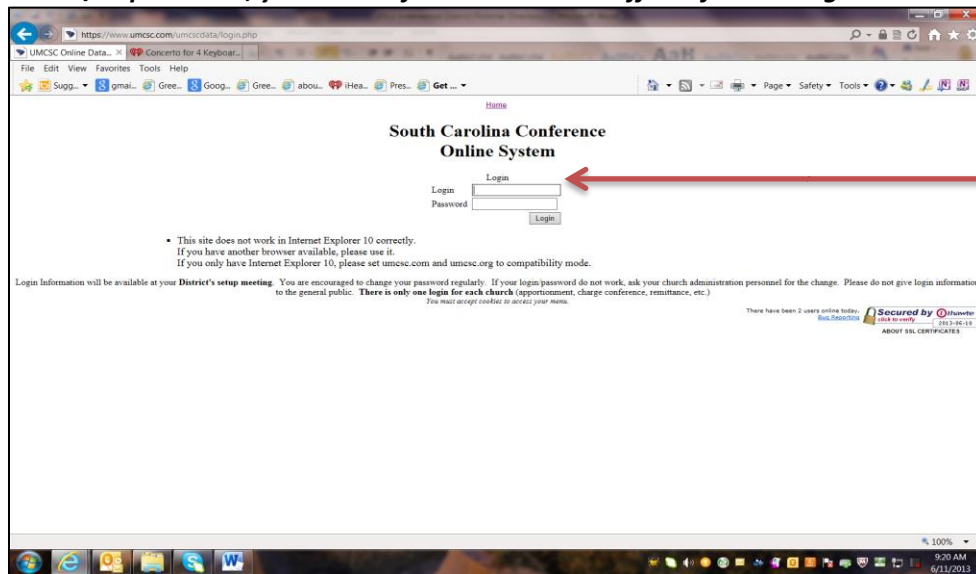

3. You will see a drop-down menu, select **church/pastor login**.

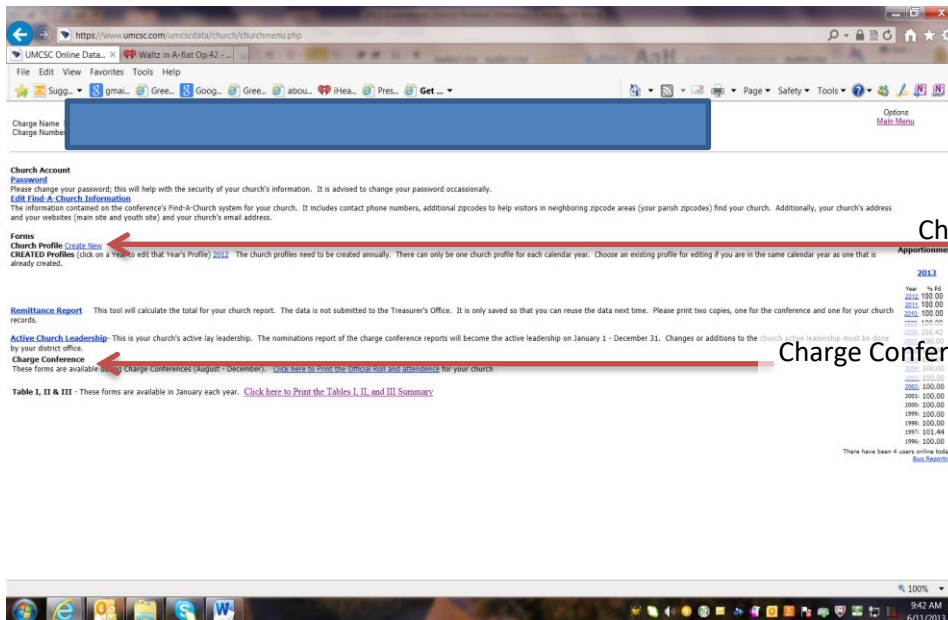

4. On the next screen, enter your church's user ID and password. For those who have a multi-point charge, you must log in for each individual church. If you do not remember your

church's user ID and password, contact the District Office. ***If you change your church's user ID and/or password, you must inform the District Office of the change.***

5. On the next page you will see a link for updating your church profile.

(I have blanked out the name of the church that this screen shot applies to. Your screen will not have a blue rectangle like this.)

6. Once you have completed your work, simply close your browser and you will be logged out automatically. There is now also a log out option.
