An Easter Prayer

by Helen Steiner Rice

God, give us eyes to see
the beauty of the Spring,
And to behold Your majesty
in every living thing.

And may we see in lacy leaves
and every budding flower
The Hand that rules the universe
with gentleness and power.

And may this Easter grandeur
that Spring lavishly imparts
Awaken faded flowers of faith
Lying dormant in our hearts.

And give us ears to hear, dear God
the Springtime song of birds
With messages more meaningful
than man's often empty words.

Telling harried human beings
who are lost in dark despair
'Be like us and do not worry
for God has you in his care.'

Words from the President

Greetings Greenville District United Women In Faith,

It is hard to believe that we are already at March. Where does the time go?

Greenville United Women In Faith have been busy. It was great to see everyone at the Officers Training in January. It was a great program hosted by the ladies of St. Mark UMC, the 911 of Greenville. I appreciate all the hard work that the ladies of St. Mark and the ladies of the board put in making this a great event. I want to say a special thank you to my vice president, Markylena Tolbert-Wydman, for putting this event together.

I was glad to see that we had some participation in the 1st “cluster” meeting for the Greenville District United Women in Faith. I am working on getting a unit started that is comprised of women, whose home churches do not have a unit or have a very small unit and wants to meet outside of the church setting. Another meeting will be planned for later in the spring.

I am working on trying to do some different things in Greenville. We will have our 2nd Limitless event on April 13th. The first 9 limitless age girls to register and attend will receive a gift. We will have a program on climate justice hosted by the Citizens Climate Lobby in Greenville. The meeting will be on Saturday, April 13, 2024 at 10:00 a.m. at Berea Friendship United Methodist Church. We will conclude the program with lunch. There will be an activity for the chaperones.

I am looking forward to our World Day of Prayer program on March 1st. Rev. Cathy Joens will be leading us in a bible study from Ephesians.

I am also looking forward to our Day Apart in June. Velma is putting together a great program on mental and physical health and diet. She has lined up 2 speakers for us. Please see more about the event in this airwaves.

If you have a talent, the Greenville District United Women In Faith Need you. Please consider filling out a talent form and serving on the Greenville District Board.

You will see included in this edition of the Airwaves a lot of conference events that are happening. I hope that you will be able to attend as many of them as possible. I give you a challenge to invite someone to attend the events with you. If you have a young lady in your church or family that is not involved, invite them to attend. Give them the chance to experience what United Women In Faith is about.

Everyone please have a safe and Happy Easter. Enjoy spending time with your family.

In closing, I want to leave you with one of my favorite scriptures. John 3:16 “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

You sister in Christ,

Vickie Failor
President

Treasurer's Notes

Dear Ladies,

It was good to see so many familiar faces at training even if you aren't a treasurer.

Do you have more than one person able to sign on your bank account? If not, it might be a good time to remedy that. While the treasurer should be the only one writing checks on the account, the president of your unit should be able to gain access to the account if the treasurer is unable to do so.

Another reminder, when you write checks make them payable to Greenville District UWF. Mail the forms and checks to me at the address below. If you have any questions, don't hesitate to give me a call. If I don't have your name and number in my phone address book I may not answer but leave me a message and I'll call you back soon.

SOCIAL ACTION NEWS

Legislative Advocacy Day events have ended but should be available for viewing online; check the upcoming issue of Mission Echo for details.

At District Officer Training, I introduced a district Social Action project that involved writing individual letters to our Senator Ross Turner, encouraging him to work toward getting the bill (S-518) out of the committee it has been stuck in since last year. This bill is to cap interest rates @ 36% on predatory lending.

After attending the LAD event Fair Lending on February 15th, I learned that S-518 on Payday loans is still stuck in committee, but there is another bill that affects the actual practices themselves that has a better chance of being passed, Senate bill 910 or S-910. In essence this would require that these finance companies, auto title lenders, & Payday lenders would have to look at a client's income/expenses and document that the borrower could repay the loan. It would also make it a violation to send a "live check" to a consumer.

So instead of writing a letter right now, I'm asking that we each take a few minutes to contact Senator Turner by phone and ask him to support this bill and vote yes once it comes to a vote. These types of loans target the working poor, communities of color and the marginalized resulting in them never being able to pay off these loans as they have to re-finance larger and larger amounts at compounding interest-up to 800-900%. Senator Turner's phone number is (803)212-6148. Let's stop this Debt Trap!

If you have questions or concerns, you may reach out to Vickie Failor, the district President and acting Communications Coordinator at her personal email: vfailor@bellsouth.net or by phone at 864-354-8842.

Program Resource Notes

By the time this is received, we will be well into the season of Lent, which is a great time to reflect and focus on our spiritual lives.

There are several titles in the Spiritual Growth category to select from for 2024, 17 titles for adults and 5 for children and youth. Of these titles, 6 are available through our public library system!

Entering the Passion of Jesus: A Beginner's Guide to Holy Week, by Amy-Jill Levine, would be very educational for this season.

A lot of the children's titles in various categories can be watched on YouTube, as a Read Aloud video. I just watched **I Am You: A Book About Ubuntu by Refiloe Moahioli**.

Also remember that listening to or watching 2 of the podcast series FaithTalks counts as 1 book read in the Spiritual Growth category.

My prayer for you all is a blessed and enlightened Lenten & Easter season!

EDUCATION AND INTERPRETATION

The conference is still supporting the pull can tabs for Ronald McDonald House. If you have a collection of them, you can bring them to the annual meeting on the 30th and we will get them to the Greenville Ronald McDonald house.

Education can transform women. Educated women can transform the world.

We offer educational experiences designed to inspire **spiritual growth, personal development and community nurture** to enable powerful collective change.

The many mutual learning opportunities and partnerships we offer include:

- **Mission U** is a transformative education program that offers children's, youth and adult curricula on a shared biblical theme from a justice perspective. These curricula are available to be purchased for use in local faith communities, or those who are interested can attend one of the hundreds of Mission u events across the country.
- **The Reading Program** offers members a way to choose, track and share recommended books through four reading plans in a wide range of subjects and ages.
- **Workshops and webinars** on personal and Spiritual Growth and our social justice campaigns **National events**, incorporating education and action for laywomen, such as our quadrennial assembly

Charter for Racial Justice Event

Submitted by: Kathy Roys

Please plan to participate in our second online **Racial + Environmental Justice** event scheduled for June 22, 2024 at 10:00am. Our conference United Women in Faith Charter for Racial Justice Committee has received a \$500 grant from National UW Faith to provide a program and a follow-up project specific to a racial justice issue in our state. We are planning to highlight the plight of the Gullah/Geechee community on St. Helena Island who are dealing with developers trying to build golf courses and a gated community near their county-protected community.

We hope to have a guest speaker from the Penn Center, and the attorney from the South Carolina En-

vironmental Law Project who is representing the Gullah/Geechee Sea Island Coalition. Those who attended this event last year

got to hear from an attorney with the SCLEP who was helping traditionally Black communities with water issues in South Carolina. He gave an eye-opening report of those issues and how they had addressed them.

With the National United Women in Faith grant, we are also required to hold a

follow-up activity. The first part of 2025 we are planning a visit to the Penn Center at St. Helena Island. We will be inviting our Limitless members to join our regular members in touring the facility to learn more about it and perhaps bring supplies for the childcare center on campus. Some may want to take a side trip to Charleston to visit the International African American Museum.

We are hoping to bring more awareness to the vulnerability of historically Black communities being taken over by developers in our state. Join us to learn how you can get involved.

This will count as a Diamond Unit activity.

Interrupt the School-to-Prison Pipeline Campaign

The school-to-prison pipeline is a term describing how children and youth of color are rerouted and funneled away from educational success toward the criminal justice system when they are overpoliced and punished in schools.

To successfully interrupt the school-to-prison pipeline, we must resist efforts to criminalize children of color and move toward comprehensive, community-rooted solutions that offer genuine safety for all children. MISSION u JULY 18-20, 2024

Spartanburg Methodist College, Spartanburg, SC

Theme: The Kin-dom is Among You: Drawing Closer to God and One Another

Join us at Mission u, July 18-20, 2024, as we explore what it means to draw closer to God and one another.

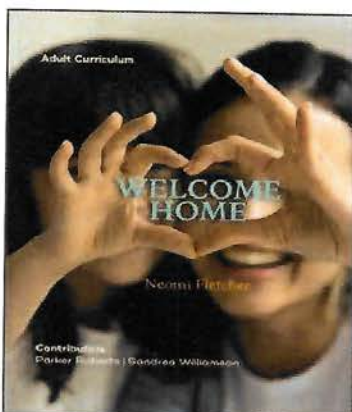

Jesus told his followers the kin-dom was among them (Luke 17:21). What does that mean? Who does Jesus say will inherit the kin-dom? How do we transform ourselves and our communities in ways that bring us closer to the kin-dom and the kin-dom closer to us? Dive into these questions and more at Mission u 2024 as we examine Scripture together and join in worship, fellowship, and action.

Our Mission u 2024 offers two exciting curricula on this theme: **“Welcome Home** written by Neomi Fletcher (Adult study) and **Cultivating Symbiosis: The Nature of God’s Kin-dom** written by Nica Sy. Purchase your copy from: uwfaithresources.org

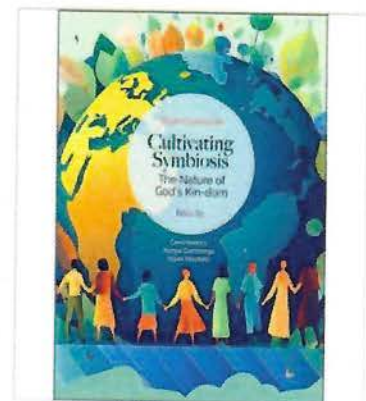

Adult — Welcome Home by Neomi Fletcher - The adult curriculum uses the image of home to explore how living in close proximity to the kin-dom is like making a home with God. Participants are invited to develop practices for building healthy, welcoming communities as a result of being anchored in the abiding love of God.

Youth — Cultivating Symbiosis: The Nature of God’s Kin-dom by Nica Sy. In Creation, we see the power of symbiosis, or interdependent relationship. The youth curriculum explores the idea of symbiosis between our relationships with one another and our relationship with God. By drawing closer to one another and our world, we draw closer to the kin-dom.

About United Women in Faith

United Women in Faith seeks to connect and nurture women through Christian spiritual formation, leadership development, creative fellowship and education so they can inspire, influence and impact local and global communities. We are a powerful, fearless force driven by God's love and united in sisterhood. With a focus on women, children and youth, we act for justice and transform communities.

Our Action

Bold action, like faith, takes courage. Our bravery is inspired by God's love and our powerful commitment to improve the lives of women, children and youth. United Women in Faith works for justice through compassionate service and advocacy to change unfair policies and systems that harm women, children and youth – from racial and gender injustice to economic inequality, climate issues and more.
